19) Mr. S.D. Achar evidently expressed to the Chief Commandant his willingness to accompany the Transport Corps to the front and the Chief Commandant recommended his case to Government and got a special pay of Rs.80/- with a field service allowance of Rs.50 sanctioned to him. When he was asked to attest for service in accordance with the regulations in force, he refused to do so, stating that his pay, status &c., should first be determined. He should have submitted officially to the Chief Commandant the conditions on which he was prepared to go on active service and attested and pressed his claims if any, and not tried to dictate conditions to Government, especially, as he at the outset seems to have expressed his ready willingness to go to the field. His conduct and behaviou are highly reprehensible, and if his present action is allowed to pass unnoticed or lightly, it ~~would~~ ~~three shillings ... the spirit of the~~ cannot but be prejudicial to the maintenance of order and discipline in the Military Department. A good number of officers and sowars of the Local Service Regiment were transferred to the Imperial Service Lancers in the interests of service and they were glad of the opportunity offered of going to the field. It is greatly to be deplored that this officer should have chosen to behave in an unbecoming manner.

Regulation, he should have been tried by a court martial, with perhaps very severe punishment inflicted upon him for his conduct. But as he has not attested he cannot so severely be dealt with. All the same, his behaviour is greatly objectionable and I am inclined to agree with the Chief Commandant that he should be discharged from service. At any rate, considering all the circumstances of the case, the least punishment that Mr. Achar deserves is, in my opinion, suspension for a month.

2) As regards the statement that the legitimate claims for the promotion of Mr. S.D. Achar have been overlooked, there do not seem to be reasonable grounds for complaint. When all the regiments were placed under one officer, the claims of the Veterinarians in the several regiments were taken into consideration; and as Mr. Swami Rao had put in a longer period of service than Mr. S.D. Achar, he was appointed to officiate as Chief Veterinary Officer, and Mr. S.D. Achar was reverted to his permanent place.

The Chief Commandant says that Mr S. D. Achar has been guilty of insubordination in having refused to go for field service after undertaking to do so.

Mr S. D. Achar, who was not bound to attest, says that he expressed his willingness to go to the field if certain Concessions specified by him in his explanation were shown to him. It has not been stated by the Chief Commandant that Mr Achar made an unconditional promise to go to the field, or that the Concessions set forth in his explanation were not those prayed for by him or that he was informed that these Concessions would not be shown to him. It is therefore clear that there was no breach of promise on the part of Mr Achar and that he cannot be guilty of insubordination in refusing to do what he was under no obligation to do. The

I have the honor to state that Mr.S.D.Achar, Veterinarian of the Local Service Regiment, was ordered to be attached to the Imperial Service Transport Corps to proceed with it to the Field- when he was first asked he expressed his willingness to accompany the Corps and took 4 days leave. Sir,

With reference to para 2 of your letter No G. 4025/Mily 64-16 dated 19th September 1916, I have the honor to forward herewi in original the written explanation obtained from Mr. S.D.Achar and to state that the explanation plainly shows that Mr. Achar is not fit to be kept on in the Military Department. I have however no objection to his being transferred to the Civil Veterinary Department as I have had no occasion to find fault in his professional work which he has always discharged satisfactorily. Early orders of Government are awaited in the matter.

to before he was attested; when he was told that it is not possible to agree to such conditions and give him promises he was absolutely insubordinate and refused to be attested and to go with the Corps.

2. As he seems to be a shirker he is not fit to be a Veterinarian in the Military Department and as the insubordinate conduct he showed this morning is also prejudicial to good order and Militia discipline. I recommend that Mr. S.D.Achar be discharged from the service at once. Pending the orders of Government the Commandants of Transport Corps and Local Service Regiment have been instructed not to take any duties from Mr.Achar.

Most Respected Sir,

With reference to your office memorandum dated 23rd September 1916 I, the undersigned beg leave to submit the following facts.

On 1st September I received in Mysore an order to join the Imperial Service Transport corps which was under orders for active service. On the 2nd I reported on duty at Bangalore. I most respectfully beg leave to bring to your recollection the fact that on my asking leave to see you you were kind enough to permit me to do so at your office. I accordingly called at the office but owing to the presence of another official in the office I was hesitating to state my grievances and ask regarding my future prospects. You told me you were glad I came and promised me a salary of Rs 150/- or more and apparently believed that I had nothing more to ask. You showed me a typed draft in which a salary of Rs 80 + 20 + 40 was given me and added that that was not sufficient and that you would make it more. I then wanted to ask for his promotion, they would

would give me now and about my future prospects" and started with "I am willing to go, sir if..." but was suddenly interrupted by your saying "There is no question of your being willing or unwilling. You must go. Don't you make any mistake about it." At this I was quite taken by surprise and asked for 3 days' leave which was kindly granted to me to be availed of from the 5th instant.

On Monday evening I submitted a memo to the Commandant requesting information as to (1) my rank, pay and Regiment to which I would be attached on my return (2) the pension which my family would be entitled to in case of my death. (3) the promotion to the next higher rank (4) the special allowance of Rs 50 to me as was sanctioned to the Adjutant. I then went to Mysore and returned to duty on the 8th instant. I was shown on the 11th evening an order, on my memo mentioned above, stating that (1) my pay rank & Regiment to which I will be attached would be considered later on. (2) A circular regarding family pension was enclosed for information. (3) regarding promotion I would be promoted in due course. The order was silent as to the special allowance of Rs 50/- and was vague in reference to requests Nos. 1 and Nos. 3. Thereupon I wanted to submit a regular petition through the Commandant for more favourable and definite orders and went to the lines prepari with a draft of it, a copy of which is herewith produced. But before I could put in the petitio early on the morning of the 12th an order requiri my immediate attestation was shown me by the adjutant. I asked the Commandant to kindly

kindly allow me time as I could not attest on the spot before knowing what the Government would do for me i return. He said he would inform you and let me know. Meanwhile you came to the lines and after sending for me were pleased to remark "What is the meaning of this, Acko? you are giving me no end of trouble. You came to my office the other day and asked for higher pay &c. I gave you maximum pay and now you refuse to attest." I replied "I am willing to attest, Sir, if I am Kindly granted the rank next to Mr R.W. Simpson." You then said "I don't want you to talk nonsense You have put in 7 years' service. Haven't you?" I said "nearly eight years, Sir" You then said "Yes, 8 years! and it is shameful the way you behave. You don't know discipline. Go at once and sign it, Sign it at once. Go away. Why do you stand there? Go this way to the office" (This because I was going towards the shed where I was previously getting bullocks branded). At this I went to the office. There the Adjutant gave me a form but I told them I could not sign it while my case was yet to be decided by the Government.

At about 10 O'clock you again returned to the lines with the Inspecting Officer and sending for me again were pleased to remark "Look here, Acko. Tell me in one word whether you will attest or no." I replied "I shall gladly attest, Sir, and shall cheerfully proceed; but I have certain grievances which ....". You were pleased to remark "I don't want you to talk. I will give

In connection with my above prayers I beg leave to submit the following facts for kind consideration:-

1. My special services during the out-break of Influenza among the horses in the Imperial Service Lancers in the year 1909 which were mentioned and appreciated by the Commandant and Chief Commandant.

2. My service in the year 1910 and again in 1914, when Influenza broke out among the horses in the Local Service Regiment, of which the Chief Commandant is personally aware.

6. I shall feel quite satisfied and be quite willing to proceed with the Imperial Service Transport Corps on active service in place of Mr. Swamy Rao, who has been and is now officiating in the Imperial Service Transport Corps (in fact the other capacity in which he may be present be officiating) if only my prayers, to the effect, that I may be kindly granted the rank, pay and prospects, next to, and immediately below, those of Mr. R. General Secretary with the Govt: of Mysore,

S i r,

I beg leave to submit the following facts and prayers for the kind and generous consideration of the Government :-

1. My son, S.D. Achar, Veterinarian in the Local Service Lancers has been ordered by the Chief Commandant to proceed with the Imperial Service Transport Corps on active service.

2. The order gives rise to certain questions which are succinctly set forth in the accompanying memo in so far as S.D. Achar is concerned.

3. From the facts stated in the memo it will be seen that my son is being treated far from properly.

4. Mr. Swami Rao has been and is the Veterinarian of the Imperial Service Transport Corps. The Commandant of the said Corps, I understand, still addresses him in all official correspondence as the Veterinarian of the said Corps. Mr. Swami Rao has attested and has been declared by the medical board as being fit for active service. And yet he is not ordered to go with the Corps as he ought to be ordered to go. But the order to go on active service is issued to S.D.Achar who is the Veterinarian of the Local Service Lancers and who as shewn in the accompanying memo: has been undeservedly kept down in the service.

M E M O.

Regarding S.Desikachar, G.B.V.C., Veterinarian, Local Service Regiment, Mysore.

He graduated from the Bombay Veterinary College in December 1908, was appointed Veterinarian, Local Service Regiment, in April 1909, on a pay of Rs. 50/- per month.

Rendered special service during the out break of Influenza in 1909 among the horses of the Imperial Service Lancers Regiment, Bangalore, which was mentioned and appreciated by the Commanding Officer and the Chief Commandant.

Again in 1910 and yet again in 1914 when Influenza broke out among the horses of the Local Service Regiment he checked the spread of the disease and completely cured every one of the animals attacked. The Chief Commandant is also personally aware of this.

During the absence on leave of Mr. R.W.Simpson, from 5th May 1913 to 5th June 1913, S.Desikachar was appointed to officiate as Chief Veterinary Officer.

When in October 1913 Mr. Srinivas Iyengar, Veterinarian, Imperial Service Regiment, was transferred to Kunigal Stud Farm, S.D. Achar was ordered to join the Imperial Service Regiment for duty; but after a month owing to the need for a veterinarian for Mysore, he was directed to return to the Local Service Regiment.

Later Mr. Montero, who was a Civil Veterinarian, drawing Rs. 30/- per month was ordered to work in the Imperial Service Regiment as a temporary arrangement, S.Desikachar being given to understand that Mr. Montero would be posted to Local Service Regiment after a few month's training in Bangalore.

In October 1914, when Mr. R.W. Simpson's place fell temporarily vacant, S.Desikachar was again appointed to

own claims he having officiated temporarily in that capacity from 5th May 1913 to 5th June 1913 during the absence of Mr. R. W. Simpson on leave and again for about 6 months in 1914, when the Chief Veterinary officer's place was vacant.

(2) that it was a hardship that he sould be called upon to proceed to the front on the same salary as that with which he had started though he was entitled to special consideration in as much as he was called upon to go to active service and as he had rendered very useful and approved service in connection with the outbreak of Influenza in 1909 and in 1914 among the horses of the Imperial Service Lancers and of the Local Service Regiment respectively.

(3) that it was a further hardship that he who belonged to a non-service Regiment and was not bound to attest should have been selected for field service and Mr. Swami Rao who was the permanent Veterinarian of the Transport Corps was therefore under an obligation to accompany the Corps and who was also pronounced fit for active service proposed to be allowed to remain in Bangalore without being called upon to go to the field.

But Mr. S. D. Achar was not able

51

5. The present situation in so far as S.D. Achar is concerned is

(1) If he is to go on active service, he prays that his position, pay and prospects in the service may be clearly stated by the Government as being immediately next to and below those of Mr.Simpson the permanent chief Vaterinarian, as indicated in the accompanying memo:

(2) or, if the Government are not disposed to accede to the prayers of S.D. Achar, he may not be compelled to go on active service.

6. My son is quite willing to go with the Corps if his prayers, which are just and reasonable are kindly granted by the Government.

Dear Sir,

With reference to your letter No. 3628 dated the 23rd Oct. last reporting that Mr. S. D. Behar Veterinarian of the Mysore Horse, now under suspension, is not fit to be kept on in the Mily. Dept., I am directed to request you to ascertain and intimate to Govt. at an early date whether he can be provided with a suitable appointment in the Civil Veterinary Dept. officiate in his place. For 6 months after that S.Desikachar was discharging his duties quite satisfactorily as Officiating Chief Veterinary Officer when all of a sudden he was told to hand over the charge of that office to Mr. Swami Rao, Veterinari of the Transport Corps. He has since been again serving as Veterinarian, Local Service Regiment. Thus it will be seen tha in spite of nearly 8 years' arduous work in various capacities h legitimate claims for promotion have been over-looked and he is to serve on the same salary as that with which he was started. Evidently he has not been treated well in the past.

Now S.Desikachar has been ordered to proceed, with the Imp ial Service Transport Corps, on active service. He is quite willing to do so if the Government will at least now kindly consider favourably his case and officially grant him :-

1. The rank of a Rissaldar or Wing Commander (he has been t now regarded as a Jemadar and has been required to wear two sta the insignia of that rank).

2. A pay of Rs. 120/- per month, and while on active servic Rs. 50/- as special allowance such as is sanctioned to the Adju besides the usual field allowance.

3. That the rank next to that of Mr. R.W. Simpson's be expr ly recognized and secured for him.

M. Rama

Bangalore
6th Feb'16.

54

The following is a brief statement of the facts of the case:--

Mr. S. D. Achar has been the Veterinarian of the Local Service Regiment (now Mysore Horse) since April 1909 on a salary of Rs.50/- per mensem with a local allowance of Rs.10/- Last September he was asked to proceed with the Imperial Service Transport Corps on active service and he appears to have agreed to do so if he was granted

1. the rank of a Rissaldar or Wing-Commander which carries a salary of Rs.150/- per mensem in the Mysore Horse.

2. a substantial pay of Rs.120/- with a special allowance of Rs.50/- per mensem besides the usual field allowances while on active service.

3. the recognition of his permanent rank as next to that of Mr. R.W.Simpson the Chief Veterinarian of the Military Department.

But he was offered a pay of Rs.80/- per mensem and a field allowance of Rs.50 per mensem with which he was not satisfied. He therefore waited upon the Chief Commandant to make the following representations:--

(1) that he felt aggrieved by Mr. Swami Rao's appointment as Acting Chief Veterinary Officer in disregard of his

55

own claims he having officiated temporarily in that capacity from 5th May 1913 to 5th June 1913 during the absence of Mr. R. W. Simpson on leave and again for about 6 months in 1914, when the Chief Veterinary officer's place was vacant.

(2) that it was a hardship that he sould be called upon to proceed to the front on the same salary as that with which he had started ~~xxxx~~ though he was entitled to special consideration in as ~~xxxxxx~~ much as he was called upon to go to active service and as he had rend dered very useful and approved service in connection with the outbreak of Influenza in 1909 and in 1914 among the horses of the Imperial Service Lancers and of the Local Service Regiment respectively.

(3) that it was a further hardship that he who belonged to a non-service Regiment and was not bound to attest should have been selected for field service and Mr. Swami Rao who was the permanent Veterinarian of the Transport Corps was therefore under an obligation to accompany the Corps and ~~xxxx~~ who was also pronounced fit for active service proposed to be allowed to remain in Bangalore without being called upon to go to the field.

But Mr. S. D. Achar was not able

56

to make all his representations personally to the Chief Commandant.

When the Adjutant of the Corps asked him to attest, Mr. S. D. Achar delayed doing it on the ground that he had no assurance that his requests would be granted. When the Chief Commandant persuaded him to attest, he repeated his requests and said that he would not attest, before orders were passed on his representations. He was given finally 5 ~~months~~ minutes' time to attest but he did not do so and wanted more time. ~~Therefore~~ Therefore he was asked not to come back to duty.

The Chief Commandant says that becaus Mr. S. D. Achar at first expressed his willingness to go with the Corps, he served an order on him but, ma S. D. Achar explains that his consent was only conditional.

The Chief Commandant construes Mr. S. D. Achar's refusal to attest when asked to do so as a piece of insubordination but Mr. S. D. Achar says that he did not refuse to attest but only asked for some more time to consider what he should do.

The Chief Commandant says Mr. S. D. Achar is not fit to be kept on in the Military Department, but that he has no objection to his transfer to the civil

57

Veterinary Department in view of the
fact that he always discharged his p
fessional duties satisfactorily.

My dear Mr Narasinga Rao

With reference to your D.O.No.C-875 dated 6th instant re-Mr.S.D.Achar Veterinarian under suspension I t-hink it would be far better if a reference is made to the Revenue Commissioner by Government as it would not look nice for me to recommend to another Head of D-epartment the person whom I have got suspended.

As regards the Kunigal Stud I do not think Mr.Achar will be of much use there. If His Highness the Yuvaraja has no objection to remove the present --- Veterinarian and put Mr.Achar in his place, this might be done, but I must say that if he shows any sign of insubordination t o the Superintendent or neglect of duty on his part, I shall cert-ainly recommend him for dismissal from the service.

Yours sincerely

No. C 4499 / 62

FROM

K. Doraswami Iyer Esquire,

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department.

SIR,

Referring to your letter No. G. 15437/Mil.64-10-9 dated 16th May 1917 proposing the transfer to the Civil Veterinary Department of Mr. S.D. Achar a Veterinarian in the Mysore Horse on a pay of ₹ 50/- plus a local allowance of ₹ 10/- per mensem as he is not quite suited for the Military Department I have the honor to state that the only vacancies in the Civil Veterinary Department are of ₹ 30/- per mensem and there are five of them .

2. Mr. S.D. Achar had been appointed an Assistant Veterinary Inspector of the Civil Veterinary Department in February 1909. He however did not join here but went to the Military Department . Messrs. C. Narayana Iyengar and N. Krishna Iyengar Assistant Veterinary Inspectors who were appointed at the same time and are found very competent are drawing only ₹ 40/- and as said before there is at present no vacancy carrying over ₹ 30/-.

3. If however it is not urgently necessary to remove him from the Military Department, I would suggest that we await sanction of the reorganization scheme when we would be able to find him a place below the two competent men of the Civil Veterinary Department above named.

I have the honor to be,
Sir,
Your most obedient servant,

Revenue Commissioner
